Instructor: Lee Senter

James (Lee) Senter started his cleaning/restoration career in Ottawa in 1978. He currently owns several companies involved in the cleaning, restoration, inspection and hardwood industries in Toronto.

Lee is the IICRC Health and Safety TAC Chair and is IICRC Vice-chair of Standards. Lee teaches the IICRC certification classes of CCT, CCMT, UFT, WRT, ASD and HST. He also sits on the consensus bodies for the S520, S540 and B210 standards as well as a committee member of the RIA Fire standard.

Lee is well known for his passion for the cleaning and restoration industry as well as the green cleaning industry.

IICRC Approved Schools

The IICRC owns no schools and produces no training materials. However, the IICRC does recognize established schools throughout the nation that meet specific standards of certification. Anyone attending these schools has the option at the end of the course to take the IICRC Certification Examination. That examination, along with proper application and fees, is forwarded to the IICRC for processing. Once a person meets the qualifications, they are sent Certification credentials.

Certification: Certification testing begins immediately following the course.
Note: Separate application and cheque or credit card, payable to the IICRC in U.S. Funds, is required for certification. This must be paid to the instructor at exam time. Certification fee is $65.00 U.S.
Cancellation Policy: If Fibreclean needs to cancel the course, students will be given a full tuition refund. Fibreclean will not be held responsible for any cancellation fees for travel or accommodations. Student fees are non-refundable if cancelled by registrant.
