14-hours of training over a course of (2) days.

(Not including breaks, lunch and exam time.) 3-
hour open book exam

The Introduction to Substrate and Subfloor Inspection course is an introductory, prerequisite course created to teach a basic understanding of substrates and subfloors as they relate to finish floor coverings. This course was developed for individuals engaged in inspecting, installing, creating and/or interpreting specifications, and for other related professions.

Emphasis is placed on teaching participants an overview of substrates and subfloors.

01/30/2017 – 01/31/2017
